DIY POP-UP CARD

Festive Season Edition

Safety First
Ask an adult to cut out each element for you.

You will Need

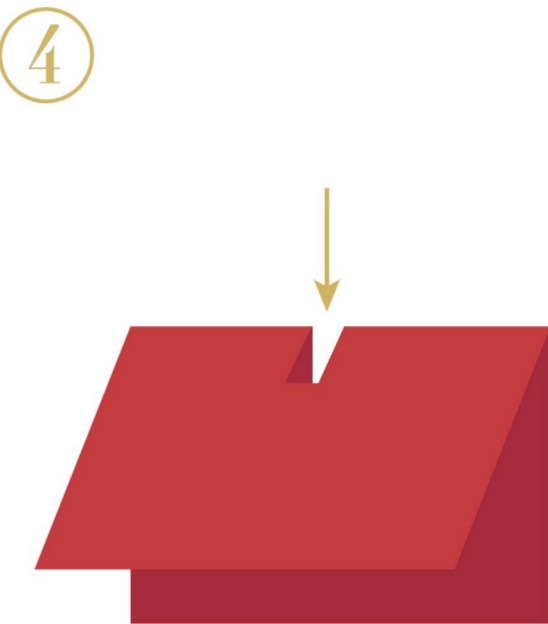

- Scissors and glue*
- Two sheets of coloured cardstock*
- Printables*

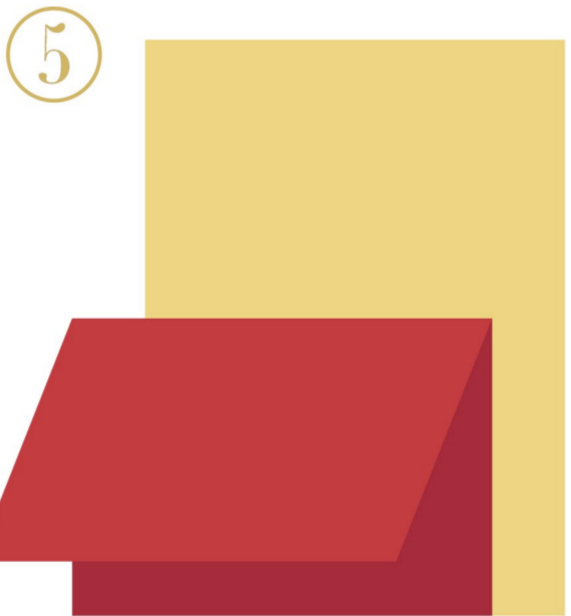

Fold your first sheet of paper in half.

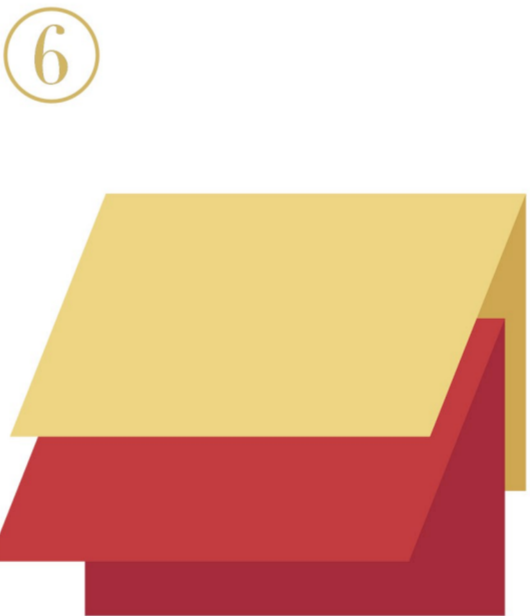

Cut an even number of slits at the centre of your card.

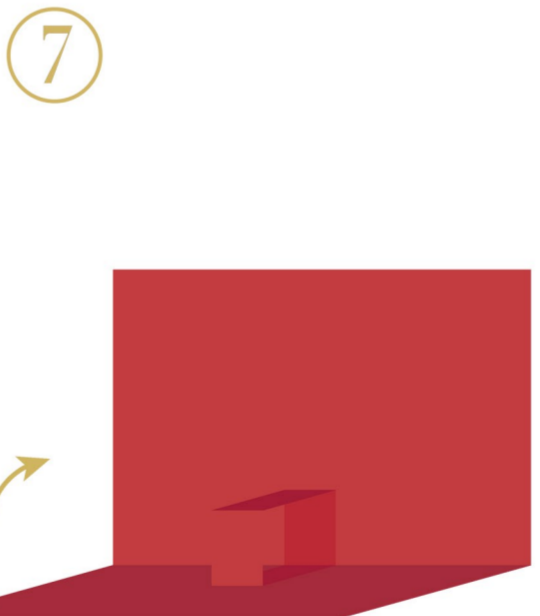

Open your card and fold your tabs inwards.

Repeat steps 1 & 2 for your second sheet of paper.

Glue the second sheet on to the cover of your first sheet.

Open your card and apply glue where needed.

Cut out your printables and decorate to your heart's content!
